

CREDITOR NOTICE EXAMPLE

This letter is your written notice advising you of the availability of mediation services as provided by the Nebraska Farm Mediation Act, Neb. Rev. Stat. §2-4807. The Nebraska Department of Agriculture's Negotiations Program is available to schedule mediation sessions and arrange for financial counseling services for debtors. These services are available to persons who are engaged in farming or ranching and who have an agricultural loan.

Mediation is a voluntary, confidential process in which a neutral third party, known as a mediator, helps those in conflict identify and clarify the issues, directs collaborative problem solving and helps the parties reach a solution. The mediator will not decide the outcome. The parties themselves control the result of the mediation and terms of an agreement. Mediation does not waive any legal right of the parties. If an agreement is not reached the parties may pursue other legal remedies.
